

End of Year expectations for Year 1 (Maths, Reading, Writing and Science)

This booklet provides information for parents and carers on the end of year expectations for learners in our school.

These expectations are based on the New National Curriculum and the age expected standards for the year group.

All objectives will be worked on throughout the year and will be the focus of direct teaching. Any extra support you can provide in helping your child to achieve these is greatly valued.

If you have any queries regarding the content of this booklet or want support in knowing how best to help your child, please talk to Mrs Turner or Mrs Blackburn.

Maths

- Count to and across 100, forwards and backwards from any number.
- Read and write numbers to 20 in digits and words. Read and write numbers to 100 in digits.
