

## Mathematics

Year 1: Place value to 50.

Keep practicing those addition facts - powerpoint can be found on the class page.

Year 2: Addition and Subtraction, then fractions.

Keep practicing 2, 5 and 10 times tables.

## Religious Education -

Easter - Celebrating New Life

PSHE - How do we look after each other and the world?

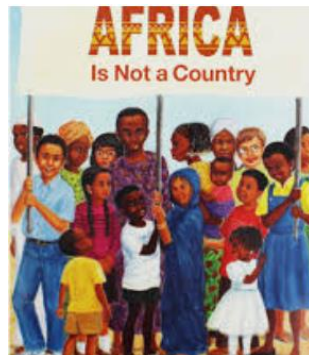

## Expressive Arts

We will be using prints and designs of Ghana to inspire our art work. We will learn about printing, and create our own fabric designs.

## PE - Gymnastics

Computing - We will learn about internet research, using search engines safely and how to ask good questions.

## **Africa (is not a Country)**

## Geography

Inspired by the book, Africa is not a country, we will learn about the continent Africa and the 54 countries that make it. We will learn about the people, weather and physical features.

## English

In English we will be reading "Lila and the secret of rain" and also learning the 'Tinga Tales'

We will be retelling this story in our own way, using the FANTASTICS to help develop our descriptive writing.

We will be using non-fiction books and the internet to find out about African Elephants. We will write persuasive letters

## Science

This half term we will link our science to Africa and learn about the animals that live there. We will learn about habitats, life cycles and mammals.
