4. Chairs Report:

A big thank you to everyone involved in the new playground surface and other playground improvements (new shed base/ new bin store). The end result is fabulous and a big improvement on the old soft pour surface which was worn and damaged. The whole project was a massive team effort but particular thanks to Elle Fox for all her work in making this happen.

Despite being unable to hold many of our traditional fundraisers last year due to Covid we had many successful alternatives including the balloon race and online raffle. Thanks also go to all the teachers who worked so hard over lockdown to keep the children engaged using online sources and keeping the school spirit alive.
