The Well Check is a free to access diagnostic tool that enables schools to assess their current status against the Youth Sport Trust Well Schools framework. The check asks schools 40 questions across the four pillars of a Well School; Well Culture, Lead Well, Move Well, Live Well. Upon completing your Well Check you will receive a tailored Development Plan which will contain recommendations of how to develop and improve your provision to enable all young people in your setting to access the benefits of an active Well School.
